not affiliated with the Boy Scouts of America
or Girl Scouts of the USA

OUR MISSION

Our mission is to promote Scouting through the preservation and display of Scouting Memorabilia and the teaching of the history of Scouting in the United States.

OUR VISION

Our vision for the Arizona Scouting Museum is to ultimately establish a permanent museum in the Phoenix area to achieve our mission. We know this will take time, money and a determined board of directors. Our first goal is to acquire a mobile museum. This will allow us to move the mission from place to place to best serve the immediate needs of Scouts in Arizona.

Our second phase will be to acquire a temporary facility. This leased or rented facility would allow the beginning of a permanent display. We will allow collectors of Scouting memorabilia to display their collections. Entrance to the museum would be by donations and open to all. Depending on the facility, our desire is to begin teaching Scouting history.

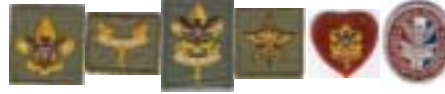

Once the temporary museum is functional, we will establish a committee to begin the work of acquiring a permanent facility. This facility will include all phases of Scouting, a hands-on learning room, a research library and teaching center. We want the "founders of Scouting" to tell the stories of the past and share their rich history.
